

840 MICHIGAN AVE. APARTMENTS

The Michigan Ave Apartments are located in the Harrison West neighborhood just north of the Arena District in downtown Columbus, Ohio. The podium style building includes four stories of apartments over a parking garage and retail. Site walls, planters and fences enclose an outdoor dining space for retail use on the corner of Buttles Avenue and Thurber Drive. The project also includes a rooftop deck that is oriented towards Downtown Columbus and captures an amazing view of the downtown Columbus skyline.
