

EVANSVILLE TOWN CENTER

The Promenade is a 228 acre mixed use development located near I-167 in Evansville, Indiana. When complete, The Promenade will include a mixed-use town center, a variety of retail and commercial uses, office uses varying from small office to corporate headquarters, and a diverse mix of residential products.

G2 Planning and Design has provided services ranging from conceptual design to construction documentation. The Promenade has been designed to provide The Hirsch-Martin Development, LLC, the flexibility needed to create a unique and successful development.
